Fråga 20: General comments? (8 personer)

Kommentarer
- It is a very difficult course but since the lecturer is so good it becomes a lot easier. This is the best course Ive taken in a long time. I also find the subject very interesting.
  I really liked the fact that all classes was in the same time every week and in the same place all the time. It gives you less to worry about. :)
- The air in the lecture room was always so bad so it was hard to stay awake!
- Find another lecture hall, the air in there were the worst ever...
- I would like if the solutions to old exams on the webpage were fixed. Some old examds dont have a single correct solutions wich makes tentaplugg difficult.
- Alot of abstract talk, often hard to follow
- I have some thoughts about the exam..

  Overall, I think the exam was good. Unlike some older exams, this was a little original.
  But the part conserning Garbage Collection was a surprise for many, because in the beginning of the course the lecturer said that he wouldn't go too deep in to that. Yet 40 points of the exam (20 percent!) was on Garbage collection.

  Otherwise I'm satisfied with the course =)
- I really enjoyed the lectures and I wished I could have attended more of them.
- The last assignment was a bit tedious: the second exercise was a "subset" of the third one...
